

TANZANIA: THE FINE PRINT

DISCLAIMERS, LICENSES, & RESOURCES FOR FURTHER INFORMATION

OVERVIEW

I do my best to present up-to-date, factual, complete information, but you should always do your own research and explore within your personal limits. For this reason, I have compiled this list of resources for you to explore. Not only do these sites deserve credit but they often have even more detail to offer than I can include on the site.

Please note that guides developed by PTO Travel Pro are developed as a result of personal experience, which is referenced extensively on the site. This means that some statements on the site may be a personal opinion, may be related to circumstances relevant to the timing of my visit, etc. As stated above, you should always do your own research before exploring to verify that my experience is relevant and useful in the context of your personal visit.

I include many links and resources here and elsewhere on the site but be advised PTO Travel Pro makes no representations for and has no affiliation with any links to 3rd party providers unless otherwise noted.

Finally, any content on PTO Travel Pro should be considered the intellectual property of PTO Travel Pro unless otherwise noted.

PHOTOGRAPHY

Wherever possible I seek to showcase my own photography, but from time to time I supplement my work with that of other photographers. If this is the case, the photos are used under their respective licenses, as designated. Click here for more information about each [Unsplash](#), [CC BY-SA 2.0](#), [CC BY-SA 3.0](#), [CC BY-SA 4.0](#). Any photos that are designated as the property of PTO Travel Pro should not be reproduced or altered in any capacity without the express permission of PTO Travel Pro. Any photos not designated as property of PTO Travel Pro nor as protected under a specific license, should not be reproduced or altered in any capacity without the express permission of their respective owners (contact PTO Travel Pro for further license / ownership details for such a photo). In other words, if you are unclear of a photo's license, contact PTO Travel Pro for more information before using the photo.
